Church Ministry Vision

Reach, Connect, Grow, Serve

Reach, Connect, Grow, Serve

Operation of all church ministries and programs will be focused on reaching the lost, creating opportunities for people to connect to God and other Christians, carefully nurturing them through the biblical process toward maturity and service.

Matthew 28:19-20

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.

Ephesians 4:11-16

It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things grow up into him who is the Head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.

Church Ministry Process

Conducting ministry focused on intentionally moving people through the stages of spiritual transformation

Description of Each Stage

Reach – Reaching the lost through home visitation, personal invitation, relevant ministry, missions, web site, flyers, advertising, and signage and other methods as the Lord leads to bring them into contact with our church ministry.

Connect – Creating a personal connection as people attend our church - from the greeting they receive until they leave. Conducting a genuine worship experience through music, preaching of the Gospel, and other methods as the Lord leads creating an environment where the Lord is glorified and each person comes face to face with the living God. Once a person is saved, we get them connected to a small group such as Sunday School class and assign a mentor to keep them connected.

Grow – Provide ministry and educational opportunities that prepare the person to live the true Christian life. Our focus is providing a clear biblical understanding of the nature and character of God and then teaching them how to live out the commands of God in their daily lives. The various ministry activities focus on personal and corporate growth.

Serve – As the Christian grows, we expect that every member will serve in some capacity using their Spiritual Gifts to serve. This service creates increasing confidence and joy growing the desire to tell others about the Lord. The cycle continues.
